Lennox - ASOE

Open the hamburger menu and select **Advanced Supplier Order Entry**.

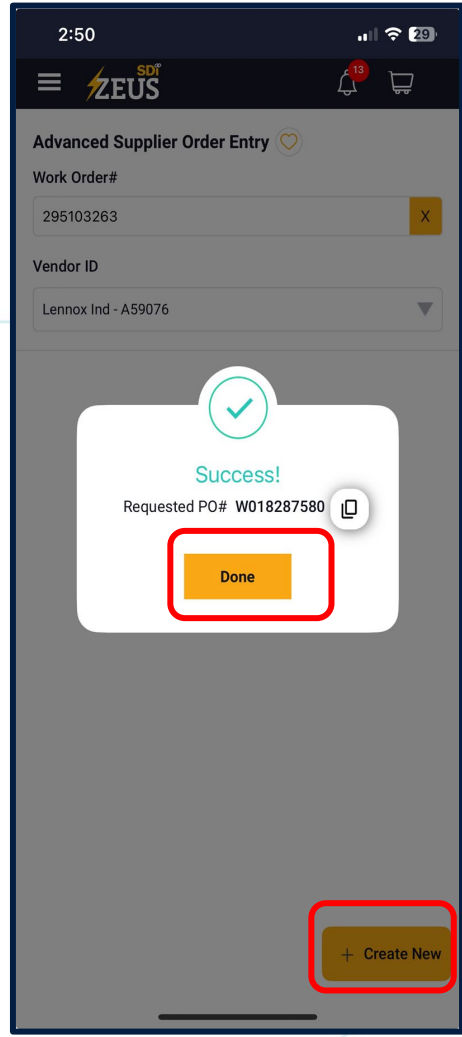

You can only use an **OPEN work order to generate a PO.**

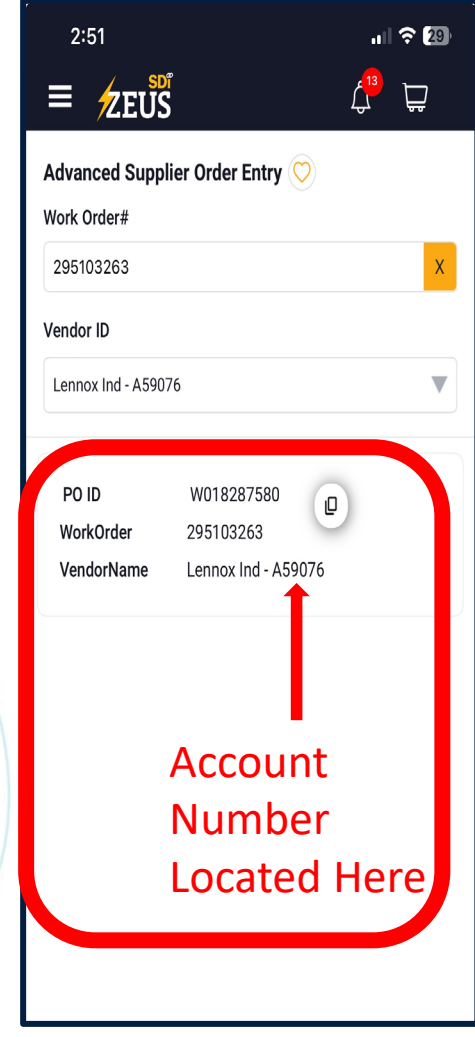

Enter the WO# and click Submit.

In Vendor ID, choose Lennox IND - A59076. Then click the Create New button.

Here you can find a record of the past purchase orders.

You now provide the Walmart Account Number **and** the PO to the Lennox Counter to checkout. Account number is **A59076** and is found in vendor name.
