ZEUS ORDERING APPLICATION

Searching and Ordering Warehouse Stock

Searching Inventory

Using a Work Order with a Store Location in the same regional area as the warehouse, tap the Search tile in the top left of the ZEUS Ordering app home page. Use the Search bar and filters to find desired parts and materials.

To easily find and to only show results for parts and materials available at the warehouse, tap Show Filter, then select th Warehouse filter

All warehouse stock will be indicated by on the Search Results page (C)
