

## **NON-GMO STATEMENT**

At New Cibo Vita LLC., we are committed to providing Sam's Club with Member's Mark Triple Berry Nut Trail Mix, 40 oz. that is free from genetically modified organisms (GMOs). Our product is made using ingredients that are sourced from non-GMO crops. We carefully select our suppliers and ensure they follow strict non-GMO practices throughout their farming and production processes.

To maintain the integrity of our non-GMO claim, we conduct regular testing and adhere to stringent quality control standards. We believe in transparency and are dedicated to offering products that align with the preferences and values of our customers.
