

Dear Associates,

As Sam Walton rightly said, “To succeed in this world, you have to change all the time”. Today, in my weekly email, I’m sharing a video where Rohit and I discuss our new identity as one Global Tech organization! This marks a new beginning as we step into a fresh identity that unifies all our technology teams. Under this identity, we can all re-energize and push ourselves to the frontiers of retail disruption. Please read the [Weekly 5&10 newsletter](#) each week for assets, guidelines and updates as we roll this out to the world. The roll out will take time, and it’s important we all stay aligned.

It was great to catch up with Rohit, as we talked about our new tech identity!

I hope you enjoy watching the video as much as we enjoyed shooting this for you!

Stay safe! Stay connected!
