

# Getting Started with an Approved Audit Program: Supplier Compliance Audit Network (SCAN)

## QUICK FACTS

- All products
- Audits conducted globally

SCAN is an industry trade association that utilizes one agreed SCS audit to share among their membership of importers.

Audit progress is managed by the British Standards Institute [British Standards Institute](#) (BSI).

## MEMBERSHIP

SCAN is a membership organization.

## SCAN SUPPORT

For detailed information on SCAN please access website [here](#).

### Audit Checklist

- Most questions have multiple answer selections
- Audit is scored by SCAN
- Submit completed checklist to the SCAN/BSI program manager
- CAPA is required for any critical or must question missed
- Facility has 60 days to complete CAPA from the assessment date
- All CAPA's must be completed by the **facility** before SCAN considers the audit complete

### Walmart's approved SCAN audit firms

Bureau Veritas, BSI Group, Intertek, Omega, SGS, UL, EuroFins

| Region               | Audit fee (USD) |
|----------------------|-----------------|
| Africa               | \$1,495         |
| Americas             | \$1,470         |
| Europe               | \$1,760         |
| Lower Southeast Asia | \$1,760         |
| Middle East          | \$1,495         |
| North Asia           | \$1,180         |
| Southeast Asia       | \$1,180         |

# SHARE FACILITY REPORTS WITH WALMART

Provide visibility to facility information and audit reports to Walmart with the steps below.

- Supplier requests the audit in Retail Link(RL)
- Supplier advises Walmart's Supplier and Facility Administration Team (SFA) that they want or have an existing SCAN audit
- Audit is performed by an approved SCAN audit firm
- Audit firm contacts the facility for payment and scheduling of an audit date
- The facility is provided a log-in code to access the audit results
- The facility will communicate their SCAN result to suppliers

**Instructions to Submit  
an Audit to Walmart**
