The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the claims administrator at 1-800-421-1362 or visit www.One.Walmart.com/Benefits. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary https://www.healthcare.gov/sbc-glossary or call 1-800-421-1362 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network: $2,750 individual/$5,500 family; Out-of-Network: $5,500 individual/ $11,000 family. Premiums, charges for balance billing, healthcare this plan doesn't cover, out-of-network Walmart Health, copayments, pharmacy coinsurance (includes 3rd party assistance), out-of-network preventive care, and coinsurance for COE hip/knee replacement without exception don't apply to deductible.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Deductible is waived for eligible preventive care, network preferred primary care provider and network preferred specialist office visits, Doctor On Demand, network preferred urgent care, network mental health office visits, eligible prescription drugs, and COE programs (except bariatric surgery and family building).	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See list of covered preventive services: https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Network: $6,850 individual/$13,700 family; Out-of-Network: Unlimited.	The out–of–pocket-limit is the most you could pay in a year for covered services. If you have other family members in this plan, they must meet their own out-of-pocket limit until overall family out–of–pocket limit is met.

* For more detail about limitations and exceptions, see Summary Plan Description (SPD) at www.One.Walmart.com/Benefits.

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit?	Premiums; balance-billing charges; health care this plan doesn't cover; penalties for failure to obtain preauthorization; out-of-network coinsurance and out-of-network preventive care; hip/knee replacement coinsurance outside COE without exception; when alternate network provider or Blue Select Network provider is not used; out-of-network Walmart Health; and 3rd party prescription drug assistance.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.IncludedHealth.com/Walmart or call 1-800-941-1384 for a list of network providers.	This plan uses a provider network. You will pay the least if you use a preferred provider in the plan's network. You will pay more if you use a nonpreferred provider in plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from provider for difference between provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies, unless other noted.
