

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the claims administrator at 1-800-421-1362 or visit [www.One.Walmart.com/Benefits](http://www.One.Walmart.com/Benefits). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary <https://www.healthcare.gov/sbc-glossary> or call 1-800-421-1362 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	Network: \$3,000 individual/\$6,000 family; Out-of-Network: No coverage. Premiums, charges for <u>balance billing</u> , healthcare this <u>plan</u> does not cover, 3rd party assistance with <u>prescription drugs</u> , and <u>coinsurance</u> for COE hip/knee replacement without exception do not count toward the <u>deductible</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. The employer contribution to the HSA, which may be used for qualified medical expenses, is \$350/individual or \$700/family. If you had an HRA balance and moved into this <u>plan</u> , any HRA balance is immediately forfeited.
<b>Are there services covered before you meet your deductible?</b>	Yes. <u>Deductible</u> is waived for eligible <u>preventive care</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	Network: \$6,650 individual/\$13,300 family; Out-of-Network: Unlimited.	The <u>out-of-pocket-limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they must meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums; <u>balance-billing charges</u> ; health care this <u>plan</u> doesn't cover; penalties for failure to obtain <u>preauthorization</u> ; hip/knee replacement <u>coinsurance</u> outside COE without exception; when an alternate <u>network</u> provider or Blue Select <u>Network provider</u> is not used; and 3 <sup>rd</sup> party <u>prescription drug</u> assistance.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

\* For more detail about limitations and exceptions, see Summary Plan Description (SPD) at [www.One.Walmart.com/Benefits](http://www.One.Walmart.com/Benefits).

<p><b>Will you pay less if you use a <u>network provider</u>?</b></p>	<p>Yes. See <a href="http://www.IncludedHealth.com/Walmart">www.IncludedHealth.com/Walmart</a> or call 1-800-941-1384 for a list of <a href="#">network providers</a>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p><b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b></p>	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies, unless other noted
