Walmart Inc.: Premier Plan - work locations in select counties in Oklahoma

Coverage for: Associate Only; Associate + Spouse/Partner, Associate + Children, and Associate + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the claims administrator at 1-800-421-1362 or visit www.One.Walmart.com/Benefits. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary <u>https://www.healthcare.gov/sbc-glossary</u> or call 1-800-421-1362 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>Network</u> : \$2,750 individual/\$5,500 family; Out-of- <u>Network</u> : Services are not covered. <u>Premiums</u> , charges for <u>balance billing</u> , healthcare this <u>plan</u> does not cover, <u>copayments</u> , pharmacy <u>coinsurance</u> (including 3rd party assistance), and <u>coinsurance</u> for COE hip/knee replacement without exception don't count toward the <u>deductible</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Deductible</u> is waived for eligible <u>preventive care</u> , <u>network</u> preferred <u>primary care provider</u> and <u>network</u> preferred <u>specialist</u> office visits, Doctor On Demand, <u>network</u> preferred <u>urgent care</u> , <u>network</u> mental health office visits, eligible <u>prescription drugs</u> , and COE programs (except bariatric surgery and family building).	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost</u> <u>sharing</u> and before you meet your <u>deductible</u> . See list of covered <u>preventive services</u> : <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-</u> <u>of-pocket limit</u> for this <u>plan</u> ?	<u>Network</u> : \$6,850 individual/\$13,700 family; Out-of- <u>Network</u> : Unlimited.	The <u>out–of–pocket-limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they must meet their own <u>out-of-pocket limit</u> until overall family <u>out–of–pocket limit</u> is met.

* For more detail about limitations and exceptions, see Summary Plan Description (SPD) at www.One.Walmart.com/Benefits.

Coverage Period: 01/01/2024-12/31/2024

Important Questions	Answers	Why This Matters:
What is not included in the <u>out-of-pocket</u> <u>limit</u> ?	<u>Premiums; balance-billing</u> charges; health care this <u>plan</u> doesn't cover; penalties for failure to obtain <u>preauthorization</u> ; hip/knee replacement <u>coinsurance</u> outside COE without exception; when alternate <u>network</u> provider or Blue Select <u>Network provider</u> is not used; and 3rd party <u>prescription drug</u> assistance.	Even though you pay these expenses, they don't count toward the <u>out–</u> <u>of–pocket limit</u> .
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>www.IncludedHealth.com/Walmart</u> or call 1-800-941-1384 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay the least if you use a preferred <u>provider</u> in the <u>plan's network</u> . You will pay more if you use a nonpreferred <u>provider</u> in <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from <u>provider</u> for difference between <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your **<u>deductible</u>** has been met, if a **<u>deductible</u>** applies, unless other noted.
