2 During Leave

TRACK LEAVE

• Claim status (pending/approved/denied)
• Remaining balance for job protected leave
• Reported missed days
• Reported return to work

GET PAID AND KEEP YOUR BENEFITS WHILE ON LEAVE
You can use PTO to get paid during the seven calendar day waiting period. After the waiting period, here's what to expect:

100% of your average weekly wage for 9 weeks. If your condition requires you be out of work longer, then your benefit payments will be based on your short-term disability selection.

For up to 12 months from the date of birth, parental leave is available to you for 6 weeks paid at 100%, and must be used continuously for the full six weeks.

Both taxes and medical benefit premiums will be deducted from short-term disability payments paid by Sedgwick.

3 Returning From Leave

CONFIRM RETURN DATE
Notify your manager before you plan to return to work. Sedgwick will contact you to confirm your return-to-work date prior to the end of your leave. Once you return, confirm your return to work date with your manager and with Sedgwick either by phone or viaOne® express.

COMPLETE RETURN TO WORK CERTIFICATION
Provide the completed return-to-work certification to your facility on your first day back. Also, fax or email the return-to-work certification form to Sedgwick at least three days prior to your return to work.

DO YOU HAVE RESTRICTIONS?
Work with Sedgwick and the Accommodations Service Center to make necessary arrangements if you are returning to work with restrictions and need special accommodations.
